ACU India Roundtable 2023

'Digitalisation and the Future of Work and Skills in a Global Economy'

31st March 2023

Amity University Uttar Pradesh, Delhi NCR

INTRODUCTION

The Delhi NCR roundtable (part of a series of 3 ACU India Roundtables) will be hosted in partnership with Amity University Uttar Pradesh and will focus on the theme of 'Digitalisation and the Future of Work and Skills in a Global Economy', with the following sub-themes:

- Digitalisation and the future of work and skills
- Internationalisation and its importance in higher education in the era of digitalisation
- Importance of industry-academia collaboration in the global digital economy

Participants will hear from expert speakers as well as engage in discussions around the theme and sub-themes.

Additionally, the event will offer:

- The chance to network and build connections between your institution and other universities, in India and around the Commonwealth
- The opportunity to develop sustainable partnerships and projects with attendees and institutions
- A platform to share your expertise and demonstrate your institution's leadership on our key discussion topics
- A space to find out more about the ACU, and our work in bringing universities together from around India and the Commonwealth

Format:

The roundtable is a full day, in-person event.
